### 3 Queens 2 Porscha Sterling

Part two of this series starts off just how you want it: with scandal.

Jazymn has a big secret that she is keeping from her boyfriend, Kingston, and she vows never to tell him. She's happy in love and she was able to get rid of his wife, Shanice, so all should be well...or so she thought. When Kingston finds out the truth about what Jazmyn did to ensure her happily ever after, all hell breaks loose and she is left with more than a broken heart.

Kaylen has found new love after being abused and misused by the man she thought loved her. But everything with Caleb is not all peaches and cream. But it never is when you're dating a womanizer. After too many run-ins with one of Caleb's old groupies, Kaylen sheds off the business professional and brings out the ratchet to settle the matter with the side chick from hell. But, in the process, she finds out something that makes her think twice about whether what she has with Caleb is real. This discovery leads her back into the arms of Zo, who is all too ready to lick her wounds and steal her heart.

After Alexis was assaulted by someone she trusted, she finds solace in a secret life that allows her to become the dominant one and inflict the pain she feels on others. Although her husband tries to love her, she rejects him at every turn. But Alexis isn't the only one with the secret life. Marc has one, too. Alexis may think she's the pampered wife of a corporate millionaire but in actuality, her husband is as street as they come.
