Enzo knows he is different from other dogs: a philosopher with a nearly human soul, he has educated himself by listening to the words of his master, Denny Swift, an up-and-coming race car driver. Through Denny, Enzo has gained tremendous insight into the human condition, and he sees that life, like racing, isn't simply about going fast.

On the eve of his death, Enzo takes stock of his life, recalling all that he and his family have been through: the sacrifices Denny has made to succeed professionally; the unexpected loss of Denny's wife; the three-year custody battle with his in-laws over their daughter, Zoë. In the end, Enzo comes through heroically to preserve the Swift family, holding in his heart the dream that Denny will become a racing champion with Zoë at his side. Having learned what it takes to be a compassionate and successful person, this wise canine can barely wait until his next lifetime, when he is sure he will return as a man.

A heart-wrenching but deeply funny and ultimately uplifting story of family, love, loyalty, and hope, *The Art of Racing in the Rain* is a beautifully crafted and captivating look at the wonders and absurdities of human life . . . as only a dog could tell it.
