Essentials of The Living World George Johnson

A student favorite, this engaging text, now presented with a new single column format, is rich with student-oriented applications and illustrations that drive the learning. Written from scratch to be an appealing and accessible learning tool with an emphasis on "how things work and why things happen the way they do", this Essentials text features a straightforward, clear writing style with ample use of analogies to help students relate new material to familiar things. NEW digital assets for the 3rd edition include high interest video clips and animations of key biological concepts.

Users who purchase Connect Plus receive access to the full online ebook version of the textbook.
