Hiding away from a disastrous past, Megan McLeod is getting along nicely in her job as housekeeper at a university field centre in Majorca. But the arrival of geological researcher, Tim Stone, throws everything into disarray — because Tim was the father of the baby she lost some years before and the two of them had parted very messily indeed.

As if having Tim on the scene wasn't bad enough, he's there with his new partner, Holly. But when in the course of his research he comes upon something extremely nasty along the cliffs of north Majorca, he's forced to turn to Megan for help.
