Notes from a Big Country

Bill Bryson

Notes from a Big Country Bill Bryson

From perfectly formed potatoes to adulterous US presidents, and from domestic upsets to millennial fever, Bill Bryson just cannot resist airing his opinions and standing up for his (mostly) law-abiding fellow American citizens. But of course after twenty years in England, he is now back on the other side of the pond, and is obviously having a little trouble finding his true American self again. After vigorous exercise on the Appalachian Trail comes this edited collection of Bryson's most splenetic comic pieces culled from his humorous regular column in the Mail on Sunday.

From reader reviews:

Alfred Stevens:

As people who live in typically the modest era should be upgrade about what going on or info even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe will certainly update themselves by reading books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what type you should start with. This Notes from a Big Country is our recommendation to make you keep up with the world. Why, because this book serves what you want and wish in this era.

Bryan Perry:

Information is provisions for anyone to get better life, information today can get by anyone from everywhere. The information can be a understanding or any news even restricted. What people must be consider when those information which is inside the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you find the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Notes from a Big Country as the daily resource information.

Katherine Shadrick:

The actual book Notes from a Big Country has a lot of knowledge on it. So when you make sure to read this book you can get a lot of gain. The book was published by the very famous author. The writer makes some research before write this book. This kind of book very easy to read you can get the point easily after reading this article book.

Crystal Babin:

Reading a book make you to get more knowledge from this. You can take knowledge and information originating from a book. Book is composed or printed or outlined from each source that will filled update of news. In this particular modern era like today, many ways to get information are available for an individual. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just seeking the Notes from a Big Country when you needed it?
