## My Magic Stepbrother

Emily Chambers is starting a new semester at university. Another year of being bullied looms before her, but she is determined to see it through. Tormented by her memories of a brutal attack, she goes to her first day of class. The woman that tormented her for so long makes an appearance but so does a hot student she's never seen before. He says he's her stepbrother but is he really?

Taking her on an adventure she'd never dreamed would be possible Anton leads Emily out of the darkness of anguish and pain she's endured for so long. But the light comes with its own perils. Can Emily see through the trials she has to face to step into the light; will her own light finally bring her peace and happiness? Can her step-brother really make all of the bad things go away and can they have a life together?
