## BOOK SYNOPSIS

Caught up in the web of competition, greed, jealousy, envy and hate, we have been lost to ourselves for a very long time. We have completely forgotten who we are. We have forgotten how to celebrate the expanse and greatness of all life. As we awaken and become more aware, our life is filled with the vibrations of love, peace, joy, wisdom and harmony. As one both experiences and emanates these vibrations, thereby discovering who they really are, the spark of Divine Love begins to flame within each individual soul, growing in intensity until completely embracing that which is life. It becomes one's birthright, henceforth, to be happy, and, in so doing, to provide an atmosphere of peace, joy and devotion (service) towards all life, including the animal kingdom, plant kingdom and mineral kingdom. It is in performing even the most humblest of tasks, that we begin to experience supreme satisfaction. In having done so, the whole of Creation triumphs.
