About the Author:

Claire Harlin is an editor for four newspapers that serve some of San Diego's most beautiful coastal communities. In her spare time, she writes freelance — with cat in lap — for various websites and magazines, covering topics ranging from travel and pets to home decor. Claire betrayed her native Oklahoma when she attended journalism school at the University of Texas at Austin, but she doesn't regret it one bit. Her journalistic adventures include serving as editor-in-chief of her university's daily student newspaper and traveling to Mexico City to cover a heated presidential election rally. She's been interviewed about her views and experiences on CNN and in *Editor & Publisher* magazine, but she had the most fun writing trivia questions to earn a living right out of college.

When she's not writing, you might find her walking the beach, taking photographs, attending a Bikram yoga class, crafting batik paintings or gathering goods at the farmers market for a dinner party. Her life won't be complete unless she someday gets invited to appear on "Wheel of Fortune."
