American Government: The Essentials: Institutions and Policies, 12th Edition James Q. Wilson, John J. DiIulio Jr., Meena Bose

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: THE ESSENTIALS preserves the structure of the main text but replaces the policy chapters with one brief chapter on the policymaking process while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, Who Governs? and To What Ends? learning objective questions framing each chapter and How Things Work boxes that summarize important facts. The significantly enhanced media package with new online tools makes the learning experience engaging and accessible.
