Group Treatment of Neurogenic Communication Disorders: The Expert Clinician's Approach, 1e

Roberta J. Elman PhD CCC BC-NCD

Discover the theory and efficacy behind group treatment and see how it can work for you and your patients. Dr. Roberta J. Elman has drawn together a group of expert clinicians to document their experiences with various approaches to group treatment in rehabilitation, subacute, outpatient, and community settings. Learn their philosophies on group treatment and how they determine rationales, assessments, and formulation of treatment goals, especially within a managed health care environment. Includes coverage on documentation, discharge criteria, reimbursement issues, and outcome, and more. All chapters provide helpful insights and practices for treating adult patients with a variety of neurogenic communication disorders.
