Marcus Sinclair, sixteenth Earl of Sinclair, has lived the last thirteen years as a recluse following an accident that left him heavily scarred. Though a recluse, Marcus has still managed to fall in love. The problem? The woman he's taken with is none other than the sister of the lady he was once betrothed to! Emma Green has fancied herself in love with Marcus since she was barely out of leading strings and he taught her how to fish. Neither her sister's engagement to him, nor the accident that left him disfigured has altered those feelings. But that matters naught. Why would he ever be interested in the younger sister of the lady who ruined his life?
