Jesus was a Prophet and one of those reformists who propagated that Allah is the one and only God whom alone men should worship. So do the Quran and the Prophet Mohammed (PBUH) describe Jesus. Therefore it is obligatory on the Muslims to believe it.

Christians, who have faith in Jesus and believe him as the God and 'the son of God' as well, worship him as much. What exactly is the inference regarding the status of Jesus whom the two great religions of the world believe in? It is indeed our right and duty too, to analyse and discern the truth. It is especially so at such a juncture of the century when Christians are earnestly endeavouring to goad the Muslims to believe that Jesus is undoubtedly the 'son of God' by interpreting to their own end the various Quranic verses where Jesus is being eulogized by God.

A scrutiny of the Bible and the Quran without prejudice will convince even those with inadequate knowledge of the two great scriptures, that there cannot be a son of God.

While there are ample evidences leading to such a decisive conclusion, the Christian brethren who are misled by the clergy, believe in the theory of 'Son of God' thereby forgoing the chance to attain salvation in the hereafter.

By quoting freely from the Bible itself, I have brought to light the fact that Jesus is not the 'Son of God' but on the other hand he was one of the great Prophets of god.

The Christian brethren who peruse this book unbiasedly without any like or dislike whatsoever, will certainly discern the truth that Jesus was a saintly Prophet of God. I do therefore hope and pray that they will no more consider him as God or 'Son of God' Amen!
