## **Jewel** M.E. Austin

The kingdom of Sapphiria is in grave peril: its future hangs in the balance, and King Julius, its ruler, faces a dilemma. As he attempts to secure an heir to his throne his plans are thwarted by his eldest daughter, Crystal – who refuses to get married – his younger daughter, Persephone – who refuses to conform – and his only son, Luca – who refuses to do his duty.

When the King is kidnapped and the kingdom falls under the control of the dastardly Lord Mortimer, questions arise about just how secure this family is and just how far their loyalty to each other can be counted on in a time of crisis. As the danger closes in it is Crystal, Luca, and Persephone, who must work to save the kingdom and decide its future.

Jewel provides the reader with a rich and enthralling narrative, and brings together a collection of unique and idiosyncratic characters who cannot fail to bring delight to readers. If you love fantasy, you'll love this!
