Hello Readers! How about some exciting sexually explicit stories to spark the imagination? This book was written after listening to my fans; combining the style of the first book I published, Time Well Spent, the Complete Collection with its intense sexual situations along with Jennifer's New Adventures and its more in-depth story line. It has made the stories more interesting I think.

Friends decide to take their relationship to the next level and explore each other in wonderful ways both inside and out of a hot tub for some really hot experimenting.

Looking for Something Exciting

A couple take their exploring to a whole new level when they throw in spanking and first experience with backdoor fun!

If That Was a Dream, Don't Wake me Up

A couple goes to a party that happens to be an orgy. They find themselves experiencing multiple partners and with experimenting with MM and FF action to help melt away the uncertainty that they had about attending.

Happy Homecoming

A couple had not seen each other for nearly a year and their reunion is filled with spanking, backdoor play and fun in the shower along with much more!

Unexpected Surprise
