**Power of Shadow (Earth, Blood and Shadow Book 1)** Dean Chalmers

A young mage awakens to a potent power... A dark fantasy journey of magic, madness, and ancient prophecy begins.

NOTE: Portions of this work were previously published in 2 separate volumes as Shadewright and Shadowslave under the pen name Dean McMillin in Dec. 2012--however this is a completely re-edited, re-imagined version of the story, re-written from front to back.

Phantist just wants to be an entertainer, earning his living with his shadow magic. But then, an ancient evil known as Earth Darkness declares war on the land. The dark lord's allies have powerful war machines of a kind never seen before... And the enemy uses a combination of magic and technology to corrupt life itself, creating monsters.

Now, to save his people and his country, Phantist joins with an eccentric lightning-mage and a mysterious female soldier on a quest to stop Earth Darkness and its murderous plans.

But this battle demands that Phantist find the warrior within himself... And that he must embrace the darkest, deadliest aspects of his own magic.
