By God's design, romance is supposed to be the flame in the fireplace of marital intimacy. Yet far too many Christian couples feel cheated because their marriage produces as much spark as a book of wet matches. Others have neglected to fan the flames of passion for so long that they have lost hope of experiencing romance.

*Rekindling the Romance*, now available in trade paper, is organized into short, biblically-based chapters. Packed with practical insight, this tastefully candid and inviting resource provides the Christian couple with the keys to unlock their relational and sexual intimacy.
