Sometimes the best man for you, is the last one you would ever expect.

It's been a year since the love of Stella's life passed away, and a year since she closed herself off to the world to mend her broken heart. It seems that no matter how much time passes, she can't shake the agony of a love long lost.

But Stella's world is about to change.

When looming shadows begin to haunt her, Stella soon finds herself caught up in a mystical world she never knew existed. Captured by a tall, crude stranger and whisked away on his roaring motorcycle, she's presented with a choice: take of one the bikers as her mate to preserve a werewolf pack, or let the men who once served beneath her beloved fall into ruin.

Will the crude bad boy who informed her of her fate be the one to keep her heart forever, or will his softer, kinder brother prove more worthy of her heart?

Get ready for a wild and steamy ride! Oh... and be forewarned, this book is intended for mature (18+) audiences.
