## **Secrets Never Die** Eyone Williams

Some things that happen in the dark should stay in the dark, but that never seems to be the case. Born and raised in Washington, D.C., Niya Brown learns this the hard way. The code of the streets is passed down to her from her mother, and to Niya, the code of the streets is law. Life deals Niya a bad hand that forces her to fend for herself at an early age when her mother and sister are taken away from her in a twist of fate. You will never believe what happens next. Truth and falsehood collide in a way that brings Niya face to face with a secret that will change her life forever.

### From reader reviews:

#### **Laurence Asher:**

Nowadays reading books are more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with education books but if you want sense happy read one using theme for entertaining for instance comic or novel. The Secrets Never Die is kind of reserve which is giving the reader erratic experience.

#### **Brian Register:**

A lot of people always spent all their free time to vacation or maybe go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity here is look different you can read any book. It is really fun in your case. If you enjoy the book you read you can spent all day long to reading a guide. The book Secrets Never Die it is very good to read. There are a lot of people who recommended this book. These were enjoying reading this book. In case you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore quickly to read this book out of your smart phone. The price is not too expensive but this book has high quality.

#### **Diane Sanchez:**

Are you kind of hectic person, only have 10 or maybe 15 minute in your moment to upgrading your mind talent or thinking skill possibly analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your small amount of time to read it because this time you only find e-book that need more time to be learn. Secrets Never Die can be your answer since it can be read by you actually who have those short free time problems.

#### **Mildred Brummett:**

Reading a guide make you to get more knowledge from this. You can take knowledge and information from a book. Book is published or printed or highlighted from each source in which filled update of news. With this modern era like today, many ways to get information are available for an individual.
