A History of Boston in 50 Artifacts Joseph M. Bagley

History is right under our feet; we just need to dig a little to find it. Though not the most popular construction project, Boston's Big Dig has contributed more to our understanding and appreciation of the city's archaeological history than any other recent event. Joseph M. Bagley, city archaeologist of Boston, uncovers a fascinating hodgepodge of history—from ancient fishing grounds to Jazz Age red-light districts—that will surprise and delight even longtime residents. Each artifact is shown in full color and accompanied by description of the item's significance to its site location and the larger history of the city. From cannonballs to drinking cups and from ancient spears to chinaware, *A History of Boston in 50 Artifacts* offers a unique and accessible introduction to Boston's history and physical culture while revealing the ways objects can offer a tantalizing entrée into our past.

Packed with vivid descriptions and art, this lively history of Boston will appeal to all manner of readers, locals and visitors alike.
