Zig Ziglar's timeless Born to Win Seminar PART ONE: The foundation: Through powerful insights and stories that will have you laughing out loud, Zig casts a spotlight on your own integrity, character, and loyalty. On this first day, you'll gain firsthand knowledge of how an unshakable character leads directly to wealth, health, and happiness. Zig says, "Whether you're building a life, a marriage, or a career, the foundation is going to determine how big and how successful and how long lasting it's going to be." Then, building on your foundation for success, Zig devotes quite a lot of time to YOU. He uncovers the real secrets that empower you to project the strongest, most confident self-image; a gift that will translate into accomplishments you didn't even know were possible. PART TWO: Zig Ziglar starts the second day of his seminar with more life-transforming insights. He knows what makes people happiest in life, and that's having strong, supportive relationships. As a result of taking Zig's proven advice, your marriage will grow stronger; you'll raise confident, respectful children; and you'll discover how your relationships at work can help you achieve career and financial prominence. To close this one-of-a-kind seminar, Zig will hand you the prescription for success with his own proven goal-setting plan. Goal-setting becomes the most important part of your success. As Zig says, "If your image is sound, if your goals are set, if your attitude is right, nobody on the face of this earth can stop you from reaching your dreams."
