Once upon a time there was an enchanting fairytale about a prince who was looking for a real princess to be his bride. The only way to tell whether the many princesses who applied for the post were really royal, legend had it, was to see if they would be able to feel a tiny little pea through dozens of luxurious mattresses as they slept. No. So here, for the first time, straight from the pea, is the truth about this much-loved, oft-repeated fairytale.
