Why men pull away after 1 month of dating (Relationships with men Book 2) Joanna Scott

This is Volume II of a set of 5 relationship books and focuses predominantly on fear and commitment issues. I am also looking at the exes and areas you cant see or don't want to see when you first meet someone. The messages aren't always so clear. When we work as psychics and relationship counsellors, at times we start to see patterns of behaviours that baffles a lot of females as to why a certain man has changed their behaviour. Their thoughts are always towards "Was it something I did or said that wrong?!"
