Gelatin: The B-Thing Tex Rubinowitz

At 6 o'clock one morning, Austrian art group gelatin suctioned out a window on one of the top floors of the World Trade Center, shunted out a narrow balcony constructed of smuggled building materials, and posed on it while a helicopter flew by and took their photographs. An unbelievable, completely illegal, and fully secret stunt when it was performed, "The B-Thing" is now unbearably surreal, weirdly prescient, and forever unrepeatable.
