Elizabeth Lyons has one rule for herself: No Distractions.

No distractions basically translates into No Men; which definitely means HELL NO when it comes to Daniel Alexander.

After a chance meeting at a professional function Daniel is not interested in letting Elizabeth go. No matter how much Elizabeth tries to stay away from him, Daniel's not the kind of guy who lets something he wants walk out of his life. The question is, will she let him catch her or will her past fears ruin any chance of a future with him?
