Homemade Guns And Homemade Ammo Ronald B. Brown

How many homemade gun books have you read, only to discover that to make the thing work you needed a metal lathe or a milling machine? This book covers it all: legalities, concepts of ballistics, a basic 12 gauge shotgun design from pipe, simple gunpowder recipes, primer material, reloading and much more - including designs for a homemade double barrel, a muzzleloader, pipe sizes for other calibers, and more! This is one book that really delivers what it promises. Even if you have no intention of ever building a firearm, the information in this book is an insurance policy. No matter where you may live in the world or under what regime, the knowledge represented in this book offers you a chance to cope. It offers hope, not in nice wishes and goodwill, but in tangible fact and step-by-step illustrated instructions. For Information Purposes Only.
