Saving Gotham: A Billionaire Mayor, Activist Doctors, and the Fight for Eight Million Lives Tom Farley MD

The inside story of the most audacious public health campaign of the twenty-first century.

In 2002, a dynamic doctor named Thomas Frieden became health commissioner of New York City. With support from the new mayor, billionaire Michael Bloomberg, Frieden and his health department team prohibited smoking in bars, outlawed trans fats in restaurants, and attempted to cap the size of sodas, among other groundbreaking actions. The initiatives drew heated criticism, but they worked: by 2011, 450,000 people had quit smoking, childhood obesity rates were falling, and life expectancy was growing.

Saving Gotham is the behind-the-scenes story of the most controversial and successful public health initiative of our time. Thomas A. Farley, MD, who succeeded Frieden as health commissioner, introduces a team of doctors who accepted the challenge of public health: to care for each of New York City's eight million inhabitants as their own patients. The biggest threats they faced were not cholera or chemical toxins or lack of medical care but instead habits like smoking and unhealthy eating. As these doctors pressed to solve these problems, they found themselves battling those who encouraged those habits, and they reshaped their own agency for a different sort of fight.

Farley shows what happens when science-driven doctors are given the political cover to make society-wide changes to protect people from today's health risks and how industries exploit legislatures, the courts, the media, and public opinion to undermine them. With Washington caught in partisan paralysis and New York City's ideas spreading around the world, *Saving Gotham* demonstrates how government local government can protect its citizens and transform health for everyone.

From reader reviews:

Robert Qualls:

Hey guys, do you desire to find a new book you just read? Maybe the book with the headline Saving Gotham: A Billionaire Mayor, Activist Doctors, and the Fight for Eight Million Lives suitable to you? The book was written by well-known writer in this era. The book titled Saving Gotham: A Billionaire Mayor, Activist Doctors, and the Fight for Eight Million Lives is one of several books which everyone reads now. This specific book has inspired many people in the world. When you read this book you will enter the new age that you never knew just before. The author explained their thoughts in a simple way, therefore all people can easily know the core of this guide. This book will give you a large amount of information about this world now. So that you can see the representation of the world in this particular book.

Dennis Rodriguez:

The reason why? Because this Saving Gotham: A Billionaire Mayor, Activist Doctors, and the Fight for Eight Million Lives is an extraordinary book that the inside of the guide is waiting for you to snap the idea but later it will distress you with the secret it holds. Reading this book close to it was a fantastic author who has written the book in such an incredible way that makes the content on the inside easier to understand, an entertaining method but still conveys the meaning totally. So, it is good for you because of not hesitating to have this any longer or you going to regret it. This amazing book will give you a lot of gains that other books get such as help improving your expertise and your critical thinking approach. So, still want to hesitate to have that book? If I were being you I would go to the bookstore hurriedly.

Helen Chandler:

Is it anyone who has spare time subsequently spends it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This Saving Gotham: A Billionaire Mayor, Activist Doctors, and the Fight for Eight Million Lives can be the response, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what do these ebooks have that the others?

Thomas White:

Reading an e-book makes you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. A book is prepared or printed or highlighted from each source that filled with updates of news. In this particular modern era like right now, many ways to get information are available for anyone. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just seeking the Saving Gotham: A Billionaire Mayor, Activist Doctors, and the Fight for Eight Million Lives when you desired it?
