City of Legends (City of Legends Series, Book 1) Cheyenne Young

Maci Knight has grown up in the shadow of legends. Her father and her brother, Max, are Heroes, worshipped by humans and Supers alike for their strength and valor. All she's ever wanted is to follow in their footsteps, to fight villains and protect humankind. But Maci has a secret—one that could change everything.

Maci had a twin sister who died the same day they were born. In their world, one twin is always good, while the other always eventually turns evil. There's no way to tell which twin will go rogue . . . which means no one knows if Maci will suddenly become a villain.

The closer she gets to her eighteenth birthday, the more she has feelings she can't control: Violence. Rage. Revenge. Maci wants to be a Hero. But she may not have a choice . . .

The first in a trilogy, *City of Legends* introduces a new superhero mythology and an unstoppable heroine.

This is a new edition of the previously self-published novel Powered.
