HUNTED By other Were to strengthen their Covens By those with great power to further their own agendas By those who would wipe the scourge of her race and her own special kind of evil from the earth By the warrior who must kill her to fulfill his destiny, but wants to protect her instead Will she stand beside the Warrior or fight against him? Does she join a Coven and become part of a great army or strike out on her own and take her chances with those who would kill her? Only one thing is assured; the hunger and the need to feed.
