Sic Semper Tyrannis ! - Volume 7 Spanked Teen

Sic Semper Tyrannis is a memoir about a time, not so long past, when men were free, religious values were taken seriously, and parents were allowed to pass on the cultural heritage to their children without governmental interference. As David Selznick remarked concerning the Antebellum South, "Look for it only in books, for it is no more than a dream remembered, a Civilization gone with the wind . . ." This fictional account is the story of what might have been, had Christian parents possessed the courage of their convictions. It depicts the use of spanking and other types of physical correction, from the perspective of an adolescent boy. Twelve year old Billy Martin has been suddenly uprooted from the only home he knows, in liberal Stockholm, and sent to live with his eighteen year old brother, Bob, who has recently joined an ultra-conservative religious group in Idaho. Billy, a high-spirited youth, has been allowed to run at loose ends for his entire life, and has never experienced discipline of any kind. He now finds himself in a vastly different world. Bob immediately sets about bringing his kid brother into line, and giving him the "Biblical discipline" that he, and the other sect members, consider essential to proper child rearing. Billy strives to come to grips with the new reality. While the characters are wholly imaginary, the issues they confront are real, and threaten to undermine the very foundations of our civilization. This work does not contain any erotic material, but is a sobering assessment of today's child rearing practices in the United States and Western Europe. This is the seventh volume of a more extensive saga, which traces the course of Billy and his friends as they struggle through the years of adolescence, and should be required reading for every adolescent boy, his parents, and all those who seek to influence him.

From reader reviews:

Janet Magnuson:

As people who live in the modest era should be update about what going on or information even knowledge to make these individuals keep up with the era that is always change and make progress. Some of you maybe will certainly update themselves by reading books. It is a good choice for yourself but the problems coming to you actually is you don't know what type you should start with. This Sic Semper Tyrannis ! - Volume 7 is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Sara Otoole:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, after that why you don't try factor that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Sic Semper Tyrannis ! - Volume 7, you could enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh occur its mind hangout folks. What? Still don't understand it, oh come on its named reading friends.

Ashley Parra:

This Sic Semper Tyrannis ! - Volume 7 is great guide for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This book reveal it information accurately using great manage word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but challenging core information with attractive delivering sentences. Having Sic Semper Tyrannis ! - Volume 7 in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no reserve that offer you world throughout ten or fifteen small right but this book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. busy do you still doubt which?

Deborah Anderson:

What is your hobby? Have you heard that will question when you got college students? We believe that that issue was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person like reading or as studying become their hobby. You have to know that reading is very important as well as book as to be the point. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You find good news or update about something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is actually Sic Semper Tyrannis ! - Volume 7.
