**"A terrific epic fantasy ~ magical, compelling, and romantic!"** Susan Mallery, NEW YORK TIMES bestselling author

**"It's impressively easy to become immersed in Marton's fantasy world. Readers will find it impossible not to care what happens next..."** Kirkus Review

**An ambitious, vividly imagined epic fantasy. Marton has created a promising and immersive world that is, at the same time, darkly brutal... the splendor of the author's vision cannot be overlooked."** RT Book Reviews

To escape punishment, Tera, a maiden healer sold to barbarians must hide the truth: she has not yet come into her healing powers. Born into a much gentler world, she struggles to survive in a land of savage warlords and their cruel concubines. When ancient prophecies begin to come to pass, can the healer-slave save the realm and awaken the High Lord's heart?

**"I ADORED.. (the hero). From his initial appearance and those gentle words of promise that no harm would come to...(the heroine), to his accepting manner of all that was her, to his tenderness shown when a barrier for which he waited so patiently to fold was finally crossed. He has to be one of my favourite male counterparts I've read in a while. LOVE him."** Bookaroo-Ju Review

**"The writing is just beautiful. It flows sometimes like water. I don't know how else to describe it other than to say i enjoyed how it felt reading it."** 5 out of 5 Modokker Book Pick Stars

For anyone who enjoyed the fantasy worlds of George Martin's Game of Thrones, C.L. Wilson's Lord of the Fading Lands, Elizabeth Vaughan's Warprize, or the memorably crafted healer heroines in Jean Auel's Clan of the Cave Bear and Diana Gabaldon's Outlander series, THE THIRD SCROLL is the next epic adventure to get lost in.
