Science and Practice of Pig Production

Colin Whitemore

Science and Practice of Pig Production Colin Whitemore

This handbook provides an informative guide to the management, health and welfare of pigs. Practical elements of the text are derived from worldwide knowledge of production practices at farm level, while scientific aspects are dealt with in depth to allow full understanding. The information is presented in a style that encourages both practical and scientific reference. The text is illustrated throughout with tables, diagrams, photographs and figures.
