A feast for the eyes with literally thousands of vivid, high-resolution screen shots, this book provides a comprehensive visual tour through the world of PC and video gaming. Sorted by genre, 150 of the most exciting current software titles are reviewed with information of interest to players, parents, and industry professionals. Each game is featured in a two-page spread that includes detailed game summary, analysis, and strategy, nine representative in-game screen shots, games with similar skill and strategy requirements, appropriate age range, ESRB content ratings, complete technological specifications, and more. Feature stories are included throughout the book, covering game-related topics such as multiplayer online gaming, games in movies, and the future of gaming. The book also includes useful reference tools such as an illustrated glossary, an overview of game publishers, and information on current and upcoming hardware platforms such as Sony's new PS3 and Nintendo's Wii.
