Many begin the Daniel Fast (or ANY FAST) as a part of their New Year resolutions. Some churches even do it corporately, which is a wonderful thing. It is a great time to come together in unity, denying yourself certain foods, all for the purpose of renewing your walk with the Savior. You want to clean out the old and make way for the new! Jesus also said that some things just do not come about by prayer alone! When the Church is fasting, the enemy is intimidated. Satan isn't worried one bit when we are content with the status quo. But if the Church ever realizes the power it possesses through prayer and fasting, the devil would be on the run! Fasting will change your life. It will draw you closer to God, help you see things about yourself that you need to change, allow God to dig out the ugly and replace it with His grace, and lift those heavy burdens from you that you just don't need to carry or worry about any longer. With God's help, I have attempted to give you, the reader, a road map to follow that can be a help to you on this journey. Fasting isn't about just going without food. If done properly, it can propel you to new heights in your relationship with God. I pray you find this book a tool that you will refer to again and again as you make fasting a regular part of your spiritual life.
