The Vow: The True Events that Inspired the Movie Kim Carpenter, Krickitt Carpenter, Dana Wilkerson
Life as Kim and Krickitt Carpenter knew it was shattered beyond recognition on November 24, 1993. Two months after their marriage, a devastating car wreck left Krickitt with a massive head injury and in a coma for weeks.

When she finally awoke, she had no idea who Kim was. With no recollection of their relationship and while Krickitt experienced personality changes common to those who suffer head injuries, Kim realized the woman he had married essentially died in the accident.

And yet, against all odds, but through the common faith in Christ that sustained them, Kim and Krickitt fell in love all over again. Even though Kim stood by Krickitt through the darkest times a husband can ever imagine, he insists, "I'm no hero. I made a vow."

Now available in trade paper with a new chapter and photo insert, *The Vow* is the true story that inspired the major motion picture of the same name starring Rachel McAdams (*The Notebook*), Channing Tatum (*Dear John*), Sam Neill (*Jurassic Park*), and Academy Award winner Jessica Lange.
