There But For The: A Novel

Ali Smith

There But For The: A Novel Ali Smith

When a dinner-party guest named Miles locks himself in an upstairs room and refuses to come out, he sets off a media frenzy. He also sets in motion a mesmerizing puzzle of a novel, one that harnesses acrobatic verbal playfulness to a truly affecting story.

Miles communicates only by cryptic notes slipped under the door. We see him through the eyes of four people who barely know him, ranging from a precocious child to a confused elderly woman. But while the characters' wit and wordplay soar, their story remains profoundly grounded. As it probes our paradoxical need for both separation and true connection, *There but for the* balances cleverness with compassion, the surreal with the deeply, movingly real, in a way that only Ali Smith can.
