Tis is the third book of the 'Touch' series by Lucia Jordan. Written with her signature style of high passion, emotion and great sex.

She just can't seem to keep that promise though and after he takes her to a deserted dungeon and shows her how to fly she may never want to come back down from his incredible lovemaking ever again.

Be warned that this ebook contains very hot and explicit descriptions of erotic activity, BDSM themes and submissive training. Only mature readers should download this book.
