As I Was Saying . . . Jeremy Clarkson

As I Was Saying... is the seventh book in Jeremy Clarkson's best-selling *The World According to Clarkson* series.

Crikey, the world according to Clarkson's been a funny old place of late . . .

For a while, Jeremy could be found in his normal position as the tallest man on British television but, more recently, he appears to have been usurped by a pretend elephant.

But on paper the *real* Jeremy remains at the helm. That's as it should be. For nearly thirty years he has been fearlessly leading the charge as one the best comic writers in the country. And in 2015, he shows no sign of slowing down.

So, whether it's pondering

If Jesus might have been better off being born in New Zealand

Why reflexive pronoun abuse is the worst thing in the world

How Pam Ayres's head trumps Gordon Gecko's underpants

Or what a television presenter with time on his hands gets up to

Jeremy is still trying to make sense of all the big stuff.

Circumstances change. Nothing's forever. But *As I Was Saying* provides glorious proof that Jeremy remains as funny, puzzled, excitable, outspoken, insightful and thought-provoking as ever. As if you ever doubted it . . .

Praise for Clarkson:

'Brilliant... laugh-out-loud' *Daily Telegraph*

'Outrageously funny... will have you in stitches' *Time Out*

'Very funny . . . I cracked up laughing on the tube' *Evening Standard*

From reader reviews:

Frances Hairston:

Your reading 6th sense will not betray anyone, why because this As I Was Saying . . . reserve written by well-known writer who knows well how to make book that may be understand by anyone who also read the book. Written with good manner for you, dripping every ideas and publishing skill only for eliminate your hunger then you still doubt As I Was Saying . . . as good book not just by the cover but also by the content. This is one reserve that can break don't judge book by its protect, so do you still needing a different sixth sense to pick this particular!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Thelma Price:

This As I Was Saying . . . is great book for you because the content which is full of information for you who always deal with world and have to make decision every minute. This kind of book reveal it information accurately using great arrange word or we can declare no rambling sentences inside. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but hard core information with splendid delivering sentences. Having As I Was Saying . . . in your hand like finding the world in your arm, info in it is not ridiculous 1. We can say that no e-book that offer you world with ten or fifteen small right but this publication already do that. So , this really is good reading book. Hey Mr. and Mrs. busy do you still doubt in which?

Dustin Singh:

Reading a book to become new life style in this 12 months; every people loves to read a book. When you read a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your research, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, as well as soon. The As I Was Saying . . . will give you new experience in examining a book.

Robert Long:

Many people spending their moment by playing outside along with friends, fun activity along with family or just watching TV the entire day. You can have new activity to spend your whole day by reading through a book. Ugh, do you think reading a book can actually hard because you have to accept the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smartphone. Like As I Was Saying . . . which is having the e-book version. So , why not try out this book? Let's find.
