This is the first edition of the title, published by Roc. When an unknown someone shoots him and leaves him to die, Harry Dresden hopes he might be heading to a better place. Unfortunately, being dead doesn't make Harry's life any easier. Trapped between life and death, he learns that his friends are in serious trouble. Only by finding his murderer can he save his friends and move on-a feat which would be a lot easier if he had a body and access to his powers. Worse still are the malevolent shadows that roam Chicago, controlled by a dark entity that wants Harry to suffer even in death. Now, the late Harry Dresden will have to pull off the ultimate trick without using any magic-or face an eternity as just another lost soul...
