Cecil B. DeMille and the Golden Calf

Simon Louvish

Cecil B. DeMille and the Golden Calf Simon Louvish

An enduring Hollywood legend, Cecil B. DeMille is remembered-and sometimes reviled-for his grandiose biblical sagas, including Samson and Delilah and his 1956 version of The Ten Commandments, with its cast in the tens of thousands. Many judged DeMille a dinosaur, both for his movies and his ultra-conservative politics. Simon Louvish tells the tale of DeMille through his work in this insightful re-evaluation of one of Hollywood's founding fathers. As Simon Callow wrote in London's Guardian, "Louvish brilliantly reveals a very different, unexpected C.B. DeMille-complex, contradictory, innovative, voluptuous-from the one with which we are familiar: a seriously great director on an epic scale."
