Divine: A New Kind of Enlightenment Stacy M Porter

One person can make a difference and working together we can change the world. In her debut book, Stacy Porter shares the story of how she overcame her fears to return to love and light. Porter became her own guru after living a life of confusion and self-doubt and is now here to help you do the same. In 2014, she graduated Juniata College with a degree in International Studies and has dedicated her life to busting through barriers to spread love and peace around the world through movement, mantra, and meditation. DIVINE illuminates a path of remembrance. It is a spiritual guidebook for the next generation of seekers. It is a path of healing. It takes us on a journey to a beautiful place within ourselves, a place we have spent our lives up until this point searching for at the mall, in other people, and in our bank accounts. It is a wild ride to our heaven on earth. Porter is holding the flashlight to lead us out of the darkness and back home to the light. A note from Stacy: I am sharing my story in hopes that it will ignite something within you that will give you the push you need to begin to heal your life from the inside out. We can turn a new page together. It might feel like a bumpy ride. Parts of my story will be told out of order and some things might not make sense to you as you read, but once you reach the end it is my intent that you see a new beginning for yourself. This is just another chapter of your journey. Welcome! This is going to be fun! Every Chapter Includes: Mantras to help you change your world from the inside out. Meditations to guide you on a path of healing and self-love. My Divine truths and spiritual experiences that hopefully inspire you on your own journey of healing and enlightenment.
