Formerly *Sex, Lies & Llamas* From the author of the Number 1 bestseller - *No Bra Required & Guess Who I Pulled Last Night?* I've read Nikki's previous books and loved them so I was expecting great things from her again. Guess what? She's delivered!! The combination of humour, thrills and classic girl might- or might not-get her man is a real winner. If chick-lit is your thing Nikki is the author you need to read. Just brilliant!! - Amazon Reviewer WOW!! I loved this book. I have to be honest and say I put off reading it after I'd bought it, I loved the other 2 books by this author but football is not my thing and I thought the football theme running through it may have spoiled it for me ... how wrong was I?!! I can't recommend this book or this author highly enough, I couldn't put my Kindle down - can't wait for more stuff from Nikki Ashton!!! - Amazon Reviewer Molly Pearson doesn't have children, but as the Player Liaison Manager for a premiership football club, she does have twenty-two professional footballers and one jealous fiancé to take care of – which as far as she can see is quite similar. With having to deal with problems from players buying zoo animals as pets, to losing their false teeth and a whole lot more, Molly can't wait for the season to end. But, her life becomes even more complicated, when the man who broke her heart six years earlier, comes back into her life. Hail the returning hero, Joe Bennett, now one of the best footballers in the world and the club's most expensive signing. Every woman wants him, every man wants to be him, and he's returned for one reason only – he wants Molly back. With engaging characters, *Sex, Lies & Llamas*, is a humorous, yet sometimes sad romance depicting the difficulty in always doing the right thing, especially when love is involved.
