## **Orbit: Life with My People** Orbit

"Orbit is not just a dog; he's a spiritual being..." Yakov Smirnoff Orbit was a Great Pyrenees who touched many people all over the world. He was born in a log cabin in the Ozarks and was adopted by a self-sufficient community. Within the community, he adopted Bettine and Peter, whose property, Alpha Meadows, became his kingdom. His life was filled with a lot of happiness in an idyllic setting, but set against a back story of fear and pain. His ability to sing to Bettine's flutes, took him in film around the world on concert tours where his spirit moved international audiences. His circumstances at home, and his compassion for his people, caused him to develop his unique canine understanding, which was confirmed for him when he went over the rainbow bridge. Here, he reveals his wisdom in living the unconditional love of animals, despite all the complexes of their human companions. Orbit's was a good life; he spread a message. Just be glad that he lived!
