Revolution From Above: The Demise of the Soviet System David Kotz, Fred Weir

Controversially this book argues that the ruling party-state elite in the USSR itself moved to dismantle the old system. Topics discussed include:

- * the beginnings of economic decline in 1975
- * Gorbachev's efforts to democratize and decentralize
- * the complex political battle through which the coalition favouring capitalism took power
- * the flaws in economic policies intended to rapidly build capitalism
- * the surprising resurgence of Communism.

Research includes interviews with over 50 former Soviet government and Communist party leaders, policy advisors, new private businessmen, trade union leaders and intellectuals.
