Forbidden step Casey is strictly off limits!

18 year old Casey is a spoilt little brat. She knows what she wants and exactly how to get it, ESPECIALLY the things she knows she's not allowed.

She thinks she has the power to wrap everyone around her little finger, and that her new **step Connor** will be no different from the rest. She's seen the way the **billionaire alpha** already looks at her, and she can't wait to start reeling off her many outrageous demands.

Connor has a plan of his own, however, to teach precocious Casey who's really in charge. If she's going to continue to get what she wants, then there's something she's going to have to do for him too.

Forbidden step Casey may be strictly off limits, but Connor likes it **hard, deep & unprotected**, and he's just as used to getting his own way!

It's taboo, and it's probably **wrong**, but demanding Connor's not the kind of man to let his morals get in the way of his fun.
