This Side of Providence

Rachel M. Harper

This Side of Providence Rachel M. Harper

This tender novel tells a universal story of struggle, loss, and ultimately, survival. Arcelia Perez left Puerto Rico for the American dream, but within a few years she's living on the tough side of Providence, Rhode Island with three children, no job, and a powerful heroin addiction. Through rotating narration, we meet a diverse cast of characters—most notably Arcelia's charming, street-savvy son, Cristo, and his teacher, Miss Valentín—whose futures are inextricably linked as they strive to succeed against the odds.

Born in Boston and raised in Providence and rural Minnesota, **Rachel M. Harper** is a graduate of Brown University and the master's program at USC. Her poems and short fiction have been published in the *Carolina Review*, *Chicago Review*, *African American Review*, *Prairie Schooner*, and the anthology *Mending the World: Stories of Family by Contemporary Black Writers*. She was chosen as one of Borders' "Best Original Voices" for her first novel, *Brass Ankle Blues*, which was also selected by Target's "Break Out Books" program. Harper has received fellowships from Yaddo and the MacDowell Colony, and won the 2002 Fellowship in Fiction from the Rhode Island State Council on the Arts. She teaches fiction at Spalding University's brief-residency MFA in Writing Program.

Eric Hempel:

Within this era which is the greater particular person or who has ability in doing something more are more important than other. Do you want to become certainly one of it? It is just simple approach to have that. What you need to do is just spending your time not much but quite enough to possess a look at some books. One of many books in the top list in your reading list is This Side of Providence. This book that is certainly qualified as The Hungry Mountains can get you closer in turning into precious person. By looking upwards and review this reserve you can get many advantages.

Anna Hart:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this This Side of Providence can make you sense more interested to read.
