Three Ways to Die

Lee Goldberg

Three Ways to Die Lee Goldberg

This collection gathers together three wildly acclaimed short stories --*Jack Webb's Star*, *Remaindered*, and *Bumsicle* -- by Edgar-nominated writer Lee Goldberg, author of the bestselling MONK and DIAGNOSIS MURDER series of original mystery novels.

In *Jack Webb's Star*, a struggling reporter comes up with a bizarre scheme in traffic school with an ex-con in a desperate attempt to reinvigorate his love life. *Jack Webb's Star* originally appeared in the anthology *Hollywood and Crime*.

In *Remaindered*, a once-famous novelist embarks on a self-financed book tour through middle America to save his career...and ends up having a fateful encounter. *Remaindered* originally appeared in *Ellery Queen Mystery Magazine* and was a Reader's Choice Award finalist. It has also been reprinted in the *Top Suspense* anthology.

In *Bumsicle*, a homeless woman freezes to death, unlocking troubling memories for a weary cop and a powerful Chief of Police. *Bumsicle* originally appeared in the anthology *Fedora III*.

Here's just a sampling of the critical acclaim for these three unforgettable stories:

"Lee Goldberg's 'Jack Webb's Star,' is a riotous caper crime with a nasty twist that starts in a traffic school class in the Taft building, where among the offenders is a hapless man ticketed for drunk driving in his wheelchair..." --*Los Angeles Times*

"Editor Robert Randisi solicited more than a dozen familiar crime-fictionists to contribute their own Tinseltown tales to this volume. Among the best are Lee Goldberg's clever 'Jack Webb's Star'" - *January Magazine*

"Jack Webb's Star is a darkly funny story about a heist that could only happen in Hollywood. The author of TV's brilliant, but obsessive-compulsive detective Monk is on top of his game," *Seattle Post-Intelligencer*

"Veteran television screenwriter Lee Goldberg has some fun with a small screen legend in 'Jack Webb's Star'" - *Booklist*

"*Remaindered* is terrific," *Ken Levine, Emmy-award winning writer/producer of "M*A*S*H" and "Cheers."*

"*Remaindered* is great facial exercise for writers. It makes us laugh and cry at the same time," *Thomas Perry, bestselling author of "The Informant"*

"...and best of all, 'Jack Webb's Star,' Lee Goldberg's hilarious contemporary tale of a struggling TV writer, his commercial actress wife, a traffic school led by an unfunny stand-up comic, and Joe Friday's star on the Hollywood Boulevard Walk of Fame," *Ellery Queen Mystery Magazine*.

"The tale is as well-turned as you'd expect from a pro and it takes imaginative flight from a reality that'll be recognized by anyone who has ever faced the world over a stack of books at a signing table," *Stephen*

Gallagher, bestselling author and writer/creator of the TV series "The Eleventh Hour."

'Top billing should go to Michael Connelly's Harry Bosch story, 'Suicide Run,' and to Lee Goldberg's 'Jack Webb's Star'--the former for the detection and the latter for biggest laughs," *Publisher's Weekly*
