A book titled, "IN THE EYES OF GRACE": Unveiling Truth as God sees It Bonface Erick Odhiambo
The revelation of how much God has embraced humanity and how man has always been on God's mind will set you free from trying to win the favor of God who already has favored us beyond measure. Grace is the revelation of what God already has accomplished on behalf of mankind. In Him we have been embraced before the foundation of the world, He chose us in Him before the foundation of the world. Adam is not the genesis of our being neither does his fall describe the destiny of humanity. Mankind is the God-kind, we draw our genesis in Him, "in Him we live and move and have our being." What has been kept so far from you by religion will dawn on your being as you peer through the pages of this book, Paul writes "And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God..." (Eph 3:9). Its about opening our eyes to behold what has already happened in Christ. God is not waiting for the world to reform its behavior so that He can love us, Christianity is about God who is in passionate love with His creation. Discover how much God has embraced you. A man's heart will always be where his treasure is, you are God's treasure and His heart is ever on you. This book goes to a greater length to bring to clarity the finished work of Christ on the cross. Its purpose is for us to enjoy every blessing that God has purposed for us and paid the price for us to enjoy, the free gifts God has bestowed on us. To understand our completeness and cease from entertaining religion in our thoughts. It's a call for the church to come out of the religious box and embrace a life full of liberty, a God life which we had from the beginning in Christ, free from guilt and condemnation. A life of God, partakers of divine nature. The discovery of truth liberates the human mind and sets free the feelings which have been kept hidden and unattainable. By understanding the freedom we have received in Christ and the reality of what took place through the cross of Christ, what you have desired to experience and enjoy and has seemed far away will unfold to you. This book places in your hands the resources you have hoped for to enjoy real freedom and the life God intended for you. We speak God's wisdom among the mature. In this book you will discover ...The nature of God, ...The different covenants and how they relate to us. ...The law's inability to save. ... Righteousness as a free gift from God. ...Our inclusion in Christ. ...The newness of life and ...The forgiveness of sins we have received in Christ among ... many more truths. As you read this book you will discover the message that set the apostle Paul distinct in his understanding of God's grace. We unveil grace and make it easy to understand and walk in God's unmerited favor, the life which God has intended for you and has been kept far from us by the religious dogma we receive in our pulpits today. This is life to you, it will give you a new breath and hope to see better days ahead of you. It will unveil the desire to enjoy the miracle life of God in you. This is what God has intended for you all this long but ignorance has kept us in the dark. The revelation of God's grace is what you need. As you peer through the pages of this book, let your heart be inspired, your eyes be enlightened and your mind be transformed by this truth. Let the reality of the cross dawn on you and let every shade of darkness be expelled from your understanding by the light of the Word. Let a fresh fountain flow from within you and let tears of joy roll down your cheeks as you discover a life of real freedom. Freedom which we often speak of but we rarely experience. Let this be the dawning of a new life to you fresh and separate from the religious gimmicks you have subjected your life. Pst. Bonface Odhiambo.
