## **Women at Church: Magnifying LDS Women's Local Impact** Neylan McBaine

*Women at Church* is a practical and faithful guide to improving the way men and women work together at church. Looking at current administrative and cultural practices, the author explains why some women struggle with the gendered divisions of labor. She then examines ample real-life examples that are currently happening in local settings around the country that expand and reimagine gendered practices. Readers will understand how to evaluate possible pain points in current practices and propose solutions that continue to uphold all mandated church policies. Readers will be equipped with the tools they need to have respectful, empathetic and productive conversations about gendered practices in Church administration and culture.

All proceeds from this book go to supporting the Mormon Women Project.
